

# Pharmacies that sell tobacco products in Philadelphia: The impact of CVS's recent policy change

With CVS eliminating sales of tobacco products, there will be 43 fewer pharmacies that sell tobacco in Philadelphia. This equals a **22% reduction in the number of pharmacies selling tobacco products** in the city. Thank your local CVS for protecting the health of its customers! For more information on how to quit smoking, visit [www.smokefreephilly.org](http://www.smokefreephilly.org) or call **1-800-QUIT-NOW (1-800-784-8669)**.
