

TEDMEDlive

For 3½ days TEDMED offers an amazing experience. It inspires innovation. It creates unexpected collaborations. It provokes multidisciplinary thinking on health's greatest challenges.

Experience the event for yourself at our TEDMED viewing event! We'll be playing highlights from the conference on a projector and screen. A list of featured speakers will be released closer to the event. Refreshments will be available.

Friday, April 19th

9:00am - 1:00pm
