

UNNATURAL CAUSES

Exploring Health Inequalities through the PBS Series

An Interdisciplinary Speaker & Video Series at PENN for 2008-2009

Part 1: "In Sickness and in Wealth"

Monday, September 15th, 12:00-2:30

Claudia Cohen Hall (formerly Logan Hall), the Terrace Room

rsvp: cphi@pobox.upenn.edu

Dr. Adewale Troutman, who is featured in this first episode, will speak about his work, focusing on the reasons why some US populations have poor health in the first place and how patterns of health and illness reflect underlying patterns of class and racial inequities.

Adewale Troutman, MD, MPH, MA

Director, Louisville Metro Public Health and Wellness

Associate Professor, University of Louisville

School of Public Health
