Sun, 1-5pm

Creative Action
The Arts in Public Health

Anthropologist **Philippe Bourgois** and photographer-ethnographer **Jeff Schonberg** spent more than a decade among a community of heroin injectors and crack smokers who survive on the streets of San Francisco's former industrial neighborhoods. Their extensive research formed the subject of a provocative new book, *Righteous Dopefiend* (University of California Press, Berkeley, 2009).

The Center for Public Health Initiatives at the University of Pennsylvania presents the 2009-2010 Seminar Series
